

INVITATION

To Whom It May Concern,

We are pleased to officially invite your club or academy to participate in the **East Africa International Cup 2027**, a premier international youth football tournament that brings together talented teams from across East Africa and around the world.

The tournament aims to provide young footballers with a high-quality competitive environment that promotes player development, sportsmanship, cultural exchange, and international friendship while creating valuable opportunities for talent identification and exposure.

Why Participate?

The East Africa International Cup offers:

- High-quality and well-organised competition
- International and regional exposure
- Talent identification opportunities
- Professional match officiating
- Individual and team awards
- A platform for cultural exchange and friendship
- Networking opportunities for coaches, academies, and football stakeholders

We are committed to delivering a memorable tournament experience that inspires young athletes to develop their football skills, build character, and compete with integrity.

We look forward to welcoming your club to Nairobi for what promises to be one of East Africa's most exciting youth football tournaments.
